

# THREE BRIDGES REFORMED CHURCH

## CHURCH MOUSE PROGRAM

CAB is sponsoring an exciting program designed to keep our college students, who are away from home, connected to our church. If they chose to participate, each college student will be assigned a “church mouse.”

The mouse is a volunteer from our church family who will anonymously support their assigned student while they are away from home. The mouse can accomplish this task in a number of ways such as sending cards or notes or small care packages throughout the academic year, and most importantly by praying for their student.

College students wishing to participate in this program will complete a profile with their contact information and a survey which will help the mouse learn of their interests and favorite small items. The Church Mouse coordinators will forward the college student information to their assigned mouse, along with guidelines and suggested ideas.

The student will not know the identity of their mouse until they graduate. Each mouse will follow their student for the duration of their college stay. A letter is going out to college students in October inviting them to participate.

If interested in becoming a mouse, please fill out the information below and return to the church office. For questions, please contact the Church Mouse Coordinators: Marlyn Reuter or e-mail me at: [marlynreuter@hotmail.com](mailto:marlynreuter@hotmail.com).
