

Have you seen this sign?

Is your curiosity piqued?

FANTASTIC! It is all about YOU! We want to connect you to our vibrant, caring God Loving Church. So I am sure that you want to start out with what is this “Theophilus” thing anyway and why do you keep seeing these bumper stickers and street signs around town?

THEOPHILUS

To tell you the truth very little is known of Theophilus (probably a Roman Officer) from the Bible except Luke dedicated both his Gospel and the Book of the Acts of the Apostles to him. He was a “Lover of God” so the general definition of Theophilus is:

“One Who Loves God”

We are a church who loves God

At Three Bridges Reformed Church, we believe that loving God makes all the difference. We want to be a church that is known in our community for our love and faith. Would you like to be part of something truly significant and life-changing?

Would you like friends to walk with you on your spiritual journey? Join us this weekend. We're a church that's making a difference in our community and in one another's lives.

Come, love God with us!

**So we want to reach out to you and invite you in..... hence those strange signs
You are here aren't you? So they did do something!**

Want to know what members say about our church?

“The people of Three Bridges Reformed Church were there for us in our toughest of times. As my husband was fighting a serious blood staph infection (sepsis) in Hunterdon Medical Center my church family cared for our children, fed us, visited us, and prayed for us. This church is not one of idle words but one of Christian action.” Sheila Hallam, Deacon.
